Madam/Sir,

It is a pleasure to introduce South Point Ex-Student's Association (ASPEXS in short) to your esteemed organization. ASPEXS is the recognised alumni association of South Point High School -one of the largest schools in the world with an enviable track record of sterling academic results over the last 55 years. Since its inception in 1996, ASPEXS has grown commendably, presently boasting of a well established membership across the country and abroad, and a vibrant website www.aspexs.com. Apart from providing a platform for interaction amongst ex-Pointers, ASPEXS also strives to meet its social objectives of caring for past teachers, present and past students in need as well as reaching out to other sections of the society.

In order to promote fellowship amongst the vast body of ex-Pointers, we regularly organise annual reunions, which have continuously evoked massive enthusiasm and have grown into an eagerly anticipated event in the city's social calendar. Rendezvous 2010 held on January 16, 2010 at the Swabhumi, Kolkata drew an attendance of approx 1,500 people and was a widely reported event in the local media. The list of ex students of South Point includes leading lights from the city's professional world as also luminaries of its cultural elite.

This year once again ASPEXS seeks to remember the glorious days of school gone by in our Annual Reunion, Rendezvous 2011 on Saturday, January 15, 2011 at Swabhumi, Kolkata. As usual, the occasion will be celebrated in a grand way with an array of entertainment activities, live music and dinner. This will be preceded by performances by a prominent band and DJ music. For proper and wide dissemination of information amongst all ex-students, we shall launch a huge publicity drive through all available media. The Telegraph has agreed to be the media sponsor with a leading radio channel as the radio partner and Artage as the outdoor partner. We hope to have an estimated attendance of more than 2,000 invitees on the occasion.

Part of the proceeds from this event will go towards fulfillment of the charitable objectives of the Association which include our sustained efforts to provide education and basic literacy to the under privileged children. ASPEXS earnestly solicits your support to help organize this event on a commensurate scale. By associating with us you shall gain access to the huge and vibrant alumni, consisting of both freshers and alumni who are well settled in their profession. We sincerely believe that our partnership in the future events shall prove to be a fruitful experience for you.

With best wishes for the New Year.

Yours sincerely,

(Sandip Kumar Roy Choudhury)
Hony. Secretary
